

Blue to Gold

Our Program to Honor our Fallen Sons and Daughters

The Blue to Gold Program is a Blue Star Mothers of America, Inc. National Organization. The program was implemented to honor our Fallen Heroes, to recognize a Mother, Spouse and Family's ultimate sacrifice as well as the ultimate sacrifice that their precious loved one gave for all of us. It is a commitment that we will "never forget" the fallen hero. The Blue Star stands for "Hope and Pride" and the Gold Star stands for the sacrifice to the cause of "Liberty and Justice".

The significance of honor that the BSMA member bestows in recognition of the loss of a mother's child is hard to convey in words. The laying down of one's life in commitment to, or while serving side by side with a brother or sister in arms, to include attending to protecting our nation while serving our Military anywhere in the world, is of the highest of honors.

Where there is known fallen military personnel, the Banner is presented whether it be the son or daughter of a member of the Blue Star Mothers of America, or if there is a known fallen military member within an area where there is a member who can attend to the Blue to Gold honors. The Banner is presented to the parents and/or spouse if they desire to have a Banner. The honors are done in person, and only mailed under unique circumstances or when there is no BSMA member in the area to honor the family. Below you will find the guidelines for requesting a banner and for presentation of the banner.

This is the information needed to request a Gold Star Banner presentation, the sooner we can get this information the sooner we can order the banner. Normally it takes 3-5 days to receive the banner from Service Flags in NV, under certain circumstances, we can get a banner overnight but there is a cost to us for this.
